# MEYER DAVIS CREATES CHIC SPACES that TELL a STORY

**INTERIOR DESIGN**  
by MEYER DAVIS STUDIO

How does one marry Park Grove's strikingly creative architecture and expansive water views with a distinctively chic yet thoroughly relaxed lifestyle? Simple: bring in Meyer Davis Studio, the award-winning design firm founded by Will Meyer and Gray Davis, firmly established at the forefront of high-end commercial and residential interiors throughout the world. The New York-based duo have designed a wide variety of exclusive hotels, including NYC's Paramount Hotel, Miami's 1 Hotel, Chicago's W Lake Shore; several buzzed-about restaurants, such as The Loews Regency Bar & Grill and Lombardy Hotel's Harlow, Miami's The Dutch and Lure Fishbar; as well as a wealth of designer boutiques such as Oscar de la Renta global boutiques and John Varvatos U.S. stores, and too-numerous-to-count luxurious private homes from Hampton estates to cozy lakefront cabins. In every case, the designers have created a space where a unique and powerful story came to life, merging stunning style with superior comfort and ease.

One Park Grove's interiors are no exception. Highlighting the remarkable Biscayne Bay's views at every opportunity, the interiors are as airy and open as they are intimate and welcoming, starting with the dramatically exquisite tone-setting lobby. Whichever room you choose to visit, the neutral-palette furniture is custom designed, balancing sleek lines with cushioned modernity, punctuated with generous soft lighting and sheer floating ceiling to floor curtains. Arresting, focus-pulling art is scaled to the room's high ceilings, while curated timeless and timely art books dot the many coffee tables. Communal spaces invite the passer-byer to come and sit awhile, while affording many a nook and corner for those seeking a quiet place to read or just contemplate the view. And whether you choose to throw a formal dinner in one of the private dining rooms or seek refuge from a rainy day in the screening room or library, the atmosphere is one of pure aesthetic delight and gracious comfort. Playing with space, form, texture, and light, Meyer Davis has developed a stellar Coconut Grove visual experience that seeks to uplift and inspire, while weaving together bold design moves and striking details to ensure an immediate and lasting impact.

**DISEÑO INTERIOR**  
por MEYER DAVIS STUDIO

¿Cómo lograr el maridaje perfecto entre la creatividad arquitectónica de Park Grove y un infinito horizonte de aguas turquesa con un estilo de vida glamuroso pero esencialmente relajado? Con la ayuda de Meyer Davis Studio, la multipremiada firma de diseño fundada por Will Meyer y Gray Davis responsable de algunos de los más vanguardistas proyectos inmobiliarios comerciales y habitacionales del mundo. Esta dupla creativa basada en New York ha diseñado una gran variedad de hoteles de primera como el NYC Paramount Hotel, el Miami's 1, el W Lakeshore en Chicago y The Lombardy Hotel en Harlow; prestigiosos restaurantes que incluyen The Regency Bar & Grill del hotel Loews y el Dutch and Lure Fishbar de Miami; lujosas boutiques para Oscar de la Renta y John Varvatos en Estados Unidos, e innumerables casas en The Hamptons o acogedoras cabañas a la orilla de un lago. En cada caso, los diseñadores han creado un espacio donde suceden historias únicas y emocionantes, fusionando un estilo de alto impacto pero accesible y relajado.

Los interiores de One Park Grove no son la excepción. Enmarcando la vista excepcional de Biscayne Bay, estos espacios resultan tan abiertos y despejados como íntimos y acogedores, empezando por el vibrante lobby que anticipa la atmósfera del conjunto. En cada habitación el mobiliario ha sido fabricado a la medida en tonos neutrales, equilibrando líneas firmes y acogedora modernidad. La iluminación tenue y las cortinas flotantes de piso a techo aportan un énfasis distintivo. Obras de arte a escala contrastan con los techos altos, mientras que las mesas de centro lucen una dedicada curaduría de libros de arte. Las áreas comunes invitan al paseante a sentarse un momento, al tiempo que ofrecen innumerables rincones para tenderse a leer un libro en calma o contemplar la vista. Y ya sea que se desee organizar una cena formal en algún salón comedor o que se busque refugio en la biblioteca o el salón de proyecciones durante una tarde lluviosa, el deleite estético predomina en el ambiente. Jugando con la luz, el color y las formas, Meyer Davis ha desarrollado una experiencia visual protagonista de la vida en Coconut Grove que inspira e ilumina con su atrevido diseño y sus minuciosos detalles que crean un impacto inmediato y perdurable.

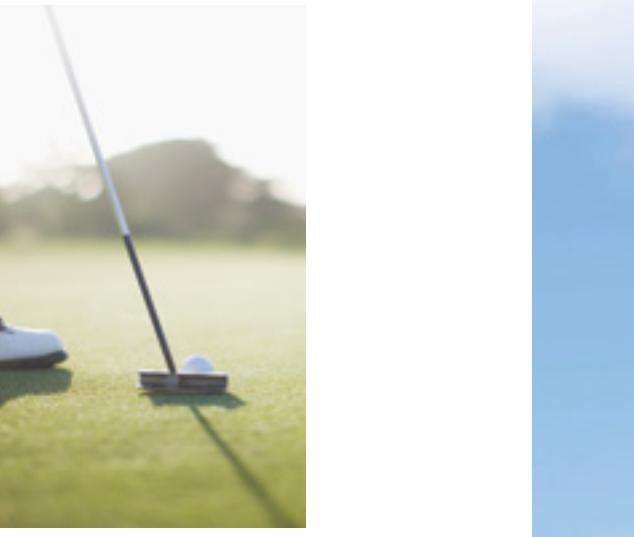

The left side of the image features a vertical abstract watercolor background. It consists of various overlapping washes of blue, teal, and white. A prominent dark blue circle is positioned in the upper right quadrant. In the lower left corner, there is a textured, dark blue shape with a white dashed pattern inside it.
